It's

!FOR A REASON!  
!SLOW DOWN!

There are lots of good reasons to drive safely.

Our posters highlight some of them. If people drive safely within the speed limit, they are **less** likely to...

**Hurt birds & animals**

**Injure children**

**CRASH**

**Get fined**

Please drive safely in our village.

A hand-drawn red circle with the number 30 in the center. The words "Stay slow" are written around the circle, with small circles containing the number 30 at the end of each phrase. The drawing is done in a simple, sketchy style with black outlines and red fill. The number 30 is white with a black outline. The words "Stay slow" are written in a cursive-like font. The small circles containing the number 30 are also hand-drawn. The overall image is a simple, hand-drawn graphic.
